To help us keep our costs to a minimum, please provide your email address so we can contact you about the sale of your donated goods.

By completing this form you are confirming that you:

- Would like Florence Nightingale Hospice Shops Ltd (FNHS) to act as your agent, selling goods on your behalf in a manner which will maximise the value of the sale (with 1% of the price paid being paid to FNHS as commission), or to dispose of or recycle those items which, in the view of FNHS, have no saleable value.
- Own all the items provided for sale and they were obtained in a legal manner.
- Are not acting as a business in bringing any goods for sale to any of the shops owned by FNHS.
- Are a UK taxpayer and understand that, if you pay less Income Tax and/or Capital Gain Tax than the amount of Gift Aid claimed on all your donations in that tax year, it is your responsibility to pay any difference.
- Would like Florence Nightingale Hospice Charity to treat all donations you have made in the 4 years prior to this date and from this date forward as Gift Aid donations.
- Wish FNHS to contact you annually once items have been sold, confirming your consent that the proceeds of the sale can be donated to Florence Nightingale Hospice Charity.
- You will notify Florence Nightingale Hospice Charity or FNHS of any change in your personal circumstances, such as name and address, or that you no longer pay UK Income or Capital Gains Tax or you wish to cancel the declaration.

We reserve the right to terminate this agreement at any time.
